## Introduction

Hello my name is alexander adam i am 20 years old from Guildford, Surrey but located in Manchester as i am student at Manchester Metropolitan studying Photography (second year) I am a highly motivated student who is always looking to get the best out of himself and others. I am seeking an active apprenticeship for the summer of 2026. My strong ethic and resourceful mindset which has grown from experience across hospitality and customer service jobs has helped me shape my resilience and my never give up attitude.

## Education

- **Manchester metropolitan university** (2024-2027)
- **Alton college, Alton hampshire**, (2022-2024)  
Level 3 Btec in film, tv and media productions. Grade: B B B
- **Woolmerhill School** (2016-2021)  
English Literature: 5 English Language: 4 Mathematics: 4 History: 4  
Digital IT: 7 Drama: 4 Geography: 4

## Work experience

### **The kings head guildford** (2025-2026)

As a supervisor, it has taught me leadership and developed my team work as well the skill of working under pressure.

### **Acorns coffee and cake** (2023-2024)

I was entrusted with opening and closing the shop. This role has taught me to operate independently as well as being organised.

### **World of water** (2019-2021)

This was my first job at the age of 13 which taught me the fundamentals of customer service and the way you approach people from all ages and walks of life. Learning the importance of communication and professionalism.

### **ITV** (2024)

At this networking event i was able to get experience in how to approach officials and way you conduct research.

## Interest and Achievements

I have loved photography from a young age and being from care to get to university was a massive achievement as only 1% of young people in care make it to university. Another personal achievement. I trained for 3 months for an MMA fight which I did for charity, raising £700 for a mental health charity called Mind.
